## Footwear and Accessories Technologist – Cheltenham

Superdry is a genuine British success story that has grown to an annual turnover of £872m, with our brand already worth £1.6bn in total global consumer sales. We are a multichannel operator with well-developed and highly successful retail, ecommerce, wholesale and franchise businesses and customers in virtually every country in the world. We are well on our way to achieving our goal of becoming a global digital brand.

### The Role

We're looking for a highly experienced, driven Footwear & Accessories Technologist to deliver products with premium quality and great fit, meeting design intent and Critical Path timelines

### You will

- Set out and standardise all foot lengths to get a consistent fit across all footwear product areas
- Review all 2D mould drawings & advise changes to ensure soles will be functional as well as meeting the design brief
- Measure physical lasts and alter data based on fitting
- Check all last grading data submitted by Suppliers
- Make pattern changes to improve cutting coefficient, to improve margin, improve 'produceability' and increase factory output
- Assess the performance of new fits, fabrics and workmanship through effective wearer trials
- Conduct Supplier technical audits, reviewing the factory set-up, capability, quality processes and compliance with Health & Safety requirements, advising corrective actions where
- Have expert technical knowledge of footwear, both fabric and leather
- Have strong technical knowledge and understanding of leather accessories, and general understanding of other accessory products
- Stay up to date with new technical innovations in the footwear industry
- Utilise my skills as a specialist to actively take ownership of quality
- Have expert technical knowledge of footwear, constructions both fabric and leather
- Have an expert knowledge of the footwear production process

### You are

- Graduated in a relevant degree and you have 3 to 4 years' experience in a similar role
- Proven expertise in accessories and footwear
- Experience of working with an international supply base
- Able to demonstrate customer focus and project management skills
- IT literate specifically in Excel and Outlook
- Able to negotiate with suppliers
- Able to commit to international travel as required
- An effective communicator
- A great organiser and able to plan
- Able to build strong relationships, influencing, communicating and engaging with colleagues and suppliers
- Able to offer practical solutions and advice when issues arise
