Interim Junior Management Accountant – Head Office Costs
Maternity Cover until May/June 2020

The Role

Superdry is a genuine British success story that has grown to a turnover of £872m, with our brand already worth £1.6bn in total global consumer sales. We are a multichannel operator with well-developed and highly successful retail, ecommerce, wholesale, and franchise businesses and customers in virtually every country of the world. We are well on our way to achieving our goal of becoming a global digital brand.

We have an opportunity for a Junior Management Accountant to join the team on an interim basis to cover a period of maternity leave, working on head office costs. This will involve providing timely and accurate financial and management information for head office overhead cost centres, informing a wide ranging audience with insight into current and future performance.

The successful candidate will have an excellent opportunity to progress their career in Finance, supporting the Senior Management Accountant in a fast-paced, dynamic environment, producing high quality work against tight deadlines. We're ideally looking for some experience of management accounting but will also look at ambitious, driven individuals with a background in a different area of finance, such as Accounts Payable, Credit Control, Commercial Finance etc, who have begun an accountancy qualification and are looking for their next step. Some experience of financial systems would also be advantageous.

You will

- Support the Senior Management Accountant for head office costs, along with the wider team and peers
- Assist in the delivery of a well understood and explainable result in the area of head office costs
- Reconcile the balance sheet accounts in the area of head office costs with any risks and opportunities understood, documented, and communicated
- Investigate and report on any anomalies arising from accounts preparation with feedback to sub-ledger teams where necessary
- Assist in producing the analysis page for all head office costs for the monthly management accounts pack
- Look for ways to improve current processes to speed up month-end and enhance controls
- Ensure that any actions comply with accounting standards and legislative frameworks
- Assist with internal and external audit requests to ensure that a clean audit is achieved, thus minimising risk
- Develop an understanding of the underlying performance of the head office costs areas via weekly operational reports
- Be able to explain complex financial information to non-financial stakeholders in a clear and engaging way
- Contribute to the budgeting and forecasting process as necessary
- Complete ad-hoc projects as required outside of normal duties

You are

- ACCA / CIMA / ACA part qualified
- Experienced in working within a busy finance team
- Ideally experienced in a junior management accounting role, or at least understanding of how management accounting works
- Competent in using finance systems and able to pick up new ones quickly
- Able to understand balance sheets and financial statements
- Happy to start in a role doing postings, reconciliations etc

- Keen to build on your experience and take the next step in your accounting career
- Proactive, driven, resilient, and able to work under your own initiative
- Able to hit the ground running, with a positive and driven attitude to make a real difference
- A strong communicator, able to build relationships with the team and cross functional team members
- Located within commuting distance of our Cheltenham head office
